**The responsibility of distributing the fragrance and fruits of this well grown "Tree" among the wider section of the literate world has now come on the shoulders of the Kendra's well-wishers and workers. It is therefore decided that every year from 15th to 22nd August should be observed as Publications Drive Period, synchronizing with Mananeeya Eknathji's Punya Tithi falling on August 22nd.**

**Vivekananda Kendra therefore appeals to you to be an Annual or Life Subscriber for any of its 8 periodicals as your tribute to the sacred memory of Mananeeya Eknathji and to strengthen our hands for spreading the Kendra's thought movement, namely, Man-Making and Nation-Building. The list of the magazines and relevant details are given below, you can either subscribe online or offline by sending letter including subscription details to Kanyakumari directly.**
