5th June is celebrated as 'Environment Day' all over the world. On this occasion, our friend Shri.C.V.Krishna from Bhubaneswar sent a very apt quotation of Mirza Galib.

"Umra bhar Ghalib yahi Bhool Karta raha, Dhool Chehre pe thi, aur Aina saaf karta raha". (We are rinsing the mirror when the dirt is on our face)

We are trying to hammer this point while carrying out the work at Rameswaram and trying to bring the attitudinal change in the stakeholders for the sustainability of the project.

This month's newsletter has the following highlights:
